It is the light that sets us free

Remember this
No matter what it seems to be
There is but one reality
God is in everything you see

In this love
All beings return to me
To be in my heart eternally
Why not surrender joyfully? (1st time)
Why not surrender gratefully? (2nd time)

> Oh my Father who is in Heaven
> With the Redeemer Jesus Christ

Oh my Father in Heaven
Here I ask my forgiveness
So I can follow You
In this mission

To follow in this mission
Is to follow with total love
Forgetting the illusion
And letting all the pain go

To follow in this mission
It's to walk with your feet on the ground
Receiving the Holy Light
And firm in the heart

The truth is to love God
And all your brothers and sisters
The same as you love yourself
And the Mother of Creation

Oh my Father in Heaven
Here I ask my forgiveness
With my knees on the ground
I humble myself to my brothers and sisters

13. PERDÃO

(Offered to Geoff)

É andar com o pé no chão
Recebendo a Santa Luz
E firmar no coração

(A) verdade é amar a Deus
E todos seus irmãos

Oh meu Pai que está no Céu

Com meus joelhos no chão
Me humilho aos meus irmãos

14. THE WRATH OF MOSES

The wrath of Moses
Was something to behold
The wrath of Moses
When he threw down the gold
He destroyed the people's faith
In what they had believed
He said, "The Lord, your God, is real.
You have all been deceived."

The wrath of Moses
It came to earth that day
The wrath of Moses
It tore the veils away
So that the people saw
Just what it was they'd made
They cried, they screamed, they tore their clothes
They saw they still were slaves

The way of Moses
Is to walk straight and clear
The way of Moses
Is to refuse all fear
It was in the people's hearts
To return to the Path of Right
The wrath of Father Moses
Called them back into the light

The Law of Moses
Is here on earth today
The light of Moses
Will show us all the way
If we put our faith in the Divine
And link our arms and go
Nothing can make us slaves again
With what we've come to know

The Law of Moses
Shows us how to live on earth
In the light of Christ
We will each have our rebirth
As we walk the Path of One
In faith and consciously
The one true God will guide our hearts
And we are truly free

Because I am a child of the light
And my home is in Heaven

33. VOU ABRAÇAR FELICIDADE

(Offered to Shannon)

Eu já chorei muito
Eu não quero mais chorar
Aonde vive a fé
É aonde eu quero morar

O meu Pai é tão bonito
Ele me da tudo que tem
Ele é puro amor
Ele é o Rei do Bem

Tudo este sofrimento
Eu não vou carregar mais
Vou deixar tudo que é do passado
Vou deixar a dor pra trás

Vou abraçar a felicidade
Jesus é amigo meu
Porque eu sou filho da luz
E a minha casa é no Céu

34. O ÚNICO

(Offered to Chante Dao)

The Christ on earth
Is the One begotten Son
All of us together
We are that One

The One that is the Truth
Lies within each human heart
There is no other way
Than for each to do their part

The Light of Christ within
Will guide each step you take
Let no idea or opinion
Affect the choice you make

Now Christ lives in your heart
The past has no effect
So start your life anew
Make a brand new pact

34. O ÚNICO

(Offered to Chante Dao)

O Cristo na Terra
É o único filho legítimo de Deus
Todos nós juntos
Somos ele

O único que é a verdade
Vive no coração de cada um
Não existe outro jeito
Que não seja cada um fazer sua parte

A Luz de Cristo dentro de você
Vai guiar cada passo que você der
Não deixa idéias e opiniões
Afetar à escolha que você fizer

Agora o Cristo é vivo no seu coração
O passado não tem efeito
Então inicie sua vida nova
Faça um novo acordo
